

4-H is a bunch of kids just like you - kids who have a lot of energy, a lot of enthusiasm, and a lot of fun. And they make a big difference in the lives of people they know.

In 4-H, you can really do something important for your community. You can help the environment by doing a cleanup along a highway, at the beach, or in the city park. You can help older people by adopting a grandparent and leading a sing-along or other activity at a nursing home. You can help brighten up your town by planting flowers, trees, and gardens in parks, vacant lots, and public places. You can help people in need by collecting donations of food, clothes, and books.

And you can make lots of good friends, learn important skills, and have tons of fun, too!

Make a difference in 4-H - and 4-H will make a difference in you!

You can be part of 4-H by participating in a 4-H sponsored activity or by joining a 4-H club. If you are between the ages of 5 and 8, you can join Clover Kids. If you're between the ages of 9 and 19, you can be a member of 4-H.

But 4-H is more than just a club or a single activity - 4-H is young people helping others and getting ready for the future. You can work with other people in a 4-H club, in your school, or with another organization.

You may go to a summer camp or leadership workshop, show your work at a fair, travel to other counties or states, attend meetings and events with other young people, earn scholarships for college, and much, much more!

4-H Makes  
a World of  
Difference

Hey!

you're young-

you're hyped-

you're committed-

you want to make  
a difference.

So what are  
you going to do to

Make a difference in 4-H!
